VOLUNTEERING EXPERIENCE

” *Jarun Cup was a new unforgettable experience for me. I have tried the role of time-keeper for the first time, even though I initially didn't want to do it. But during the event I could see that it's not so difficult after all, I'd say that it's even more interesting than other volunteer positions. You can literally be in the center of a whole event. If I had known it before, I would have definitely chosen that position immediately!*

RUKOMETNA PRIČA

Rukomet na pijesku - budući olimpijski sport u kojem je ispred Hrvatske samo jedna reprezentacija, a igrao ga...

Hrvatska reprezentacija rukometa na pijesku svoj put počela je 2002. godine. Od tada se dva puta okitila naslovom svjetskih prvaka te šest puta naslovom europskih prvaka. Hrvatska ima i jednog od najboljih igrača ovoga sporta, a na Jarunu se svake godina održava jedan od najpopularnijih europskih turnira.

VOLUNTEERING EXPERIENCE

” *Volunteering at beach handball was truly a life-changing experience for me! It was a chance to come back to Croatia every year to meet old friends, make new connections and feel the beach handball spirit again. The community is something special and due to that we were able to go further and work together on the European level.*
